HARIS, A.: *New name for Pachynematus hungaricus Haris, 2001 (Hymenoptera: Tenthredinidae)*.

Abstract: Following to the recent revision of PROUS et al. (2014) new name is proposed for *Pachynematus hungaricus* Haris, 2001

Keywords: Nematinae, Hymenoptera, Tenthredinidae, new name, Hungary

According to the paper of PROUS et al. (2014) titled The genera of Nematinae (Hymenoptera, Tenthredinidae) published in the Journal of Hymenoptera Research, the following genera were synonymised under the genus *Euura* Newman, 1837: *Cryptocampus* Hartig, 1837, *Evura* Agassiz, 1848, *Pontania* Costa, 1852, syn. n., *Epitactus* Förster, 1854, syn. n., *Amauronematus* Konow, 1890, syn. n., *Holcocneme* Konow, 1890, syn. n., *Pachynematus* Konow, 1890, syn. n., *Holcocnema* Schulz, 1906, syn. n., *Holcocnemis* Konow, 1907, syn. n., *Pteronidea* Rohwer, 1911, syn. n., *Pontopristia* Malaise, 1921, syn. n., *Brachycolumna* Strand, 1929, syn. n., *Decanematus* Malaise, 1931, syn. n., *Pikonema* Ross, 1937, syn. n., *Phyllocolpa* Benson, 1960, syn. n., *Eitelius* Kontuniemi, 1966, syn. n., *Gemmura* E.L. Smith, 1968, *Eupontania* Zinovjev, 1985, syn. n., *Larinematus* Zhelochovtsev, 1988, syn. n., *Polynematus* Zhelochovtsev, 1988, syn. n., *Bacconematus* Zhelochovtsev, 1988, syn. n., *Alpinematus* Lacourt, 1996, syn. n., *Epicenematus* Lacourt, 1998, syn. n., *Kontuniemiana* Lacourt, 1998, syn. n., *Lindqvistia* Lacourt, 1998, syn. n., *Luea* Wei and Nie, 1998, syn. n., and *Tubpontania* Vikberg, 2010, syn. n.

In this way, *Pachynematus hungaricus* Haris, 2001 would fall into homonymy with *Euura hungarica* (Enslin, 1918) originally described as *Pontania hungarica* Enslin, 1918. (HARIS 2001, ROLLER and HARIS 2008, ENSLIN 1918).

The present status of *Euura hungarica* (Enslin, 1918) is a junior synonym of *Pontania (Eupontania) viminalis* (Linné, 1758).

To avoid confusion and/or homonymy, hereby, we suggest to change the name of *Pachynematus hungaricus* Haris, 2001 to *Euura pannonica* (Haris, 2001) as replacement name for *Pachynematus hungaricus* Haris, 2001.
