This bibliography presents the publications on the history of the Cold War published from 1989, the beginning of the „archival revolution” in the former Soviet bloc countries. While this sixth edition is still not complete, it collects a huge number of books, articles and book chapters on the topic. The next enlarged and updated edition will be published in 2023.

The Cold War History Research Center owes special thanks to the Parallel History Project on Cooperative Security (formerly: on NATO and the Warsaw Pact) in Zurich–Washington D.C. for their permission to use the Selective Bibliography on the Cold War Alliances, compiled by Anna Locher and Cristian Nünlist, available at: <http://www.php.isn.ethz.ch/lory1.ethz.ch/publications/bibliography/index.html>
