

ERRATUM

Akadémiai Kiadó acknowledges an unfortunate error that occurred during the production of the cover of this year's first issue. Although the header of each article and the title page of the journal clearly state that this is a double issue (Numbers 1–2), the cover inadvertently announces “Volume 58 • Number 1 • March”.

The correct cover would announce:

Volume 58 • Numbers 1–2 • March

The Publisher apologizes for the inconvenience that this error may have caused to subscribers.
