Detailed search strategy for the different databases:

Database	Search Date	Search Terms	Filters Applied
PubMed	July 2023	("electrical stimulation"[MeSH Terms] OR "electrical stimulation"[All Fields] OR NMES OR electrotherapy OR "neuromuscular electrical stimulation" OR "functional electrical stimulation" OR TENS OR tDCS) AND (stroke OR hemiplegia OR hemiparesis OR CVA) AND ("postural stability" OR "standing balance" OR "trunk control" OR standing OR "posture equilibrium" OR "postural control" OR "posture control")	Filters: English, Randomized Controlled Trials, 2011-2025
Scopus	July 2023	TITLE-ABS-KEY("electrical stimulation" OR NMES OR electrotherapy OR "neuromuscular electrical stimulation" OR "functional electrical stimulation" OR TENS OR tDCS) AND TITLE-ABS-KEY(stroke OR hemiplegia OR hemiparesis OR CVA) AND TITLE-ABS-KEY("postural stability" OR "standing balance" OR "trunk control" OR standing OR "posture equilibrium" OR "postural control" OR "posture control")	Filters: English, Article Type: RCT, Year ≥ 2011
Web of Science	July 2023	TS=("electrical stimulation" OR NMES OR electrotherapy OR "neuromuscular electrical stimulation" OR "functional electrical stimulation" OR TENS OR tDCS) AND TS=(stroke OR hemiplegia OR hemiparesis OR CVA) AND TS=("postural stability" OR "standing balance" OR "trunk control" OR standing OR "posture equilibrium" OR "postural control" OR "posture control")	Filters: English, Document Type: RCT, Year ≥ 2011
