Correction to “Region-Selective Growth of Cu₂O Shell on Gold Nanoprisms”

Z. Ganieva, D. Kovács, Z. Osváth, et al., “Region-Selective Growth of Cu₂O Shell on Gold Nanoprisms,” *Advanced Materials Interfaces*, 12, no. 16, (2025): e00512, <https://doi.org/10.1002/admi.202500512>.

In Figure 2a the unit of the x-axis label “Time (s)” was incorrect. This should have read “Time (min)” as shown below in the correct version of Figure 2.

Figure 2. Time-dependent spectroscopy data obtained for the AMBI treatment (a), and TEM images demonstrating a slight rounding of the tips after the 2 h long heat treatment at 60°C (b).

We apologize for this error.
